

# AsliJobs — Project Documentation Index

**Location:** docs/project-documentation/

**Generated from:** Current monorepo source (read-only)

Use this index to open each document. Prefer the `source/` Markdown files for searchability; `generated/` holds Excel workbooks and PDF exports when available.

## Core documents

| #  | Document                        | Format   | Path                                                              |
|----|---------------------------------|----------|-------------------------------------------------------------------|
| 1  | Master Project Documentation    | Markdown | <a href="#">source/AsliJobs_Master_Project_Documentation.md</a>   |
| 2  | API Documentation               | Markdown | <a href="#">source/AsliJobs_API_Documentation.md</a>              |
| 3  | Employer Module Documentation   | Markdown | <a href="#">source/AsliJobs_Employer_Module_Documentation.md</a>  |
| 4  | Job Seeker Module Documentation | Markdown | <a href="#">source/AsliJobs_JobSeeker_Module_Documentation.md</a> |
| 5  | Design System Documentation     | Markdown | <a href="#">source/AsliJobs_Design_System_Documentation.md</a>    |
| 6  | Database Architecture           | Markdown | <a href="#">source/AsliJobs_Database_Architecture.md</a>          |
| 7  | Feature List (module-wise)      | Excel    | <a href="#">../generated/AsliJobs_Feature_List.xlsx</a>           |
| 8  | API List                        | Excel    | <a href="#">../generated/AsliJobs_API_List.xlsx</a>               |
| 9  | Page List                       | Excel    | <a href="#">../generated/AsliJobs_Page_List.xlsx</a>              |
| 10 | This Index                      | Markdown | <a href="#">source/AsliJobs_Project_Index.md</a>                  |
| —  | Summary Report                  | Markdown | <a href="#">source/AsliJobs_Documentation_Summary.md</a>          |

## PDF exports (when generated)

| Document      | Path                                                                     |
|---------------|--------------------------------------------------------------------------|
| Master        | <a href="#">../generated/AsliJobs_Master_Project_Documentation.pdf</a>   |
| API           | <a href="#">../generated/AsliJobs_API_Documentation.pdf</a>              |
| Employer      | <a href="#">../generated/AsliJobs_Employer_Module_Documentation.pdf</a>  |
| Job Seeker    | <a href="#">../generated/AsliJobs_JobSeeker_Module_Documentation.pdf</a> |
| Design System | <a href="#">../generated/AsliJobs_Design_System_Documentation.pdf</a>    |
| Database      | <a href="#">../generated/AsliJobs_Database_Architecture.pdf</a>          |
| Index         | <a href="#">../generated/AsliJobs_Project_Index.pdf</a>                  |

CSV fallbacks (Excel-compatible) may also exist beside the `.xlsx` files if workbook generation is used.

---

### Quick navigation by role

| Role             | Start here                                               |
|------------------|----------------------------------------------------------|
| New developer    | Master → Database → API                                  |
| QA               | Page List → Feature List → Employer / Job Seeker modules |
| UI designer      | Design System                                            |
| Product / client | Master → Feature List → Module docs                      |
| Backend engineer | API + Database                                           |
